**WALKER STATEMENT ON APPROVAL OF STAFF INCREASE AT
MENTAL HEALTH COMPLEX**

“I appreciate the actions by the members of the County Board to approve our plan to increase staff at the county mental health complex. While the number of people needing help and the severity of the need has grown for many reasons outside of our control, we must insure that people with severe mental illness have access to quality care. Our plan does just that and we will work to fill these positions as fast as we can.”
